

Dear Company Dream or My Own Company,

My name is Evelina Kobyletska, and I am writing to express my interest in the UI/UX Designer position at your company. I have 26 years of experience in creating intuitive and visually appealing interfaces that provide an exceptional user experience.

My professional experience includes:

- **Developing interactive prototypes:** Successfully utilizing tools such as Figma, Prototipe, and Adobe Photoshop to create prototypes that reflect the functionality and design of products.
- **Conducting user research:** I have conducted numerous user interviews and tests, which have allowed me to develop solutions based on real user needs and behavior.
- **Team collaboration:** I have closely collaborated with developers, product managers, and other designers to ensure a seamless development process and the implementation of solutions that meet both business requirements and user expectations.
- **Optimizing existing products:** Performing analysis of existing interfaces and making improvements to enhance efficiency and user satisfaction.

I am particularly interested in your organization because I can see significant progress in this field and in my personal development. You can provide me with the knowledge that I am eager to expand, and most importantly, the motivation to grow. I believe that my experience and skills can significantly contribute to the growth of your company.

I admire your user-focused approach to product creation, and I am confident that my passion for design and experience in UI/UX will enable me to effectively contribute to achieving your goals.

I would be happy to discuss how I can be of value to your team. Thank you for considering my resume, and I look forward to the opportunity to discuss my candidacy.

Sincerely,
Evelina Kobyletska
